## LEFT THE COUNTRY BEHIND

Imagine what a day in the life of Nabil was like before he had to flee the country.

Can you imagine what it would be like if you had to flee your country tomorrow?

What things would you carry in your backpack?

## LIFE IN A REFUGEE CAMP

Close your eyes and imagine that you are Nabil and that you are in a refugee camp.

How do you imagine life there?

What things do you imagine you could do?

And what things don't?

## LIFE IN A HOST COUNTRY

What do you think is the most difficult thing for a refugee when he arrives in a host country?

If you were in Nabil's shoes, what do you think you could do to help a refugee who has just arrived in your country?
